Overview and Outline

The focus of the day will be on networking with other Comhairlí in a very informal way. It will allow young Comhairle members to link in, engage with and learn from each other by sharing ideas. It will afford them the opportunity to discuss their topics: what they're currently working on, what's working well / not so well, and examine where their Comhairle is at present.

The young people will be split up into smaller groups for a World Café round-table discussion of the themes which emerged from last year's events, with a broad mix of Comhairlí in each group. The afternoon session will also act as an introduction to the Showcase Event 2014: the DVD featuring the work of the 34 Comhairlí from the Showcase event 2012 will also be shown.
